ROAD RACING IRELAND

First published in 1986 Road Racing Ireland is the World's longest running road race magazine. It is available in more retail outlets than any other Irish motorcycle magazine.

Road Racing Ireland is the only magazine you need to keep you informed on all the action between the hedges. There are 11 issues a year covering road racing from across Ireland, Isle of Man and the United Kingdom. Each issue is packed with the best road racing photographs and news.

Last year, Road Racing Ireland reached a significant milestone and published their 29th Anniversary Issue. Not surprisingly this was a cause for celebration by the team at Rollins Promotions and readers alike. GPS had cause to celebrate too as they were entrusted to print the special Anniversary Issue and they did not disappoint...

As you know we moved our magazine Road Racing Ireland away from our usual printing company to give your company a chance to print one issue, that was our 29th Anniversary issue for May. We were very pleased with the turn around and also the quality. A few people had commented that something was different with the Magazine they said it looked cleaner and fresher the quality of the paper was superb.

We since have printed every issue with your company and also our little Off Road Magazine and wallplanner and are very pleased. Advertisers have noticed a difference as well.

We are very pleased and just wanted to thank you for all your hard work at the start back in April.

Thanks again and long may it continue.

Regards

Wallace & Gillian Rollins
