

TO THE POWER OF PRINT

GPS Colour Graphics Limited has received Invest NI Selective Financial Assistance in support of its investment and growth plans. Part financed by the Investment for Growth and Jobs Programme for Northern Ireland 2014-2020, co-financed by the European Regional Development Fund. GPS Colour Graphics Limited has received investment for the purchase and installation of a printing press which will allow us to increase capacity, increase productivity and more efficiently service customers in Great Britain and beyond.
